john s amazing mystery the unveiling draws back the curtain lets in the light and allows the biblical epic of revelation to become user friendly current events are laid alongside the ancient text and its numerous parables are translated into living language and recognisable situations the book accepts that global trauma may point to a present day apocalypse though this is seen as just one alternative in several scenarios the writer sets the scene by first drawing attention to what jesus said about his promised return to earth and what we may expect will happen in the

last days the book then follows the outline of revelation through seven astounding visions each of which is analysed according to a set pattern the cracking of codes is a feature of the work some innovative methods are employed whereby the mysterious becomes visible and believable the book is set within the context of eternal issues

adrienne von speyr a renowned mystic and spiritual writer from switzerland was received into the catholic church at the age of 38 on the feast of all saints 1940 by one of the theological giants of the 20th century fr hans urs von balthasar he became her spiritual director and confessor until her death in 1967 during which time adrienne was favored with many gifts of authentic mystical prayer balthasar considered one of the central characteristics of adrienne s prayer to be her transparency to the inspirations she received from god along with a deep personal communion with the saints over a period of many years adrienne would see the saints and other devout people at prayer and she would dictate what she saw to fr von balthasar while she was in a state of mystical prayer through a unique charism she was able to put herself in the place of various individuals to see and describe their prayer their whole attitude before god not all of her subjects are saints in the strict sense of the word but all struggled with varying degrees of success to place their lives at the disposal of their creator this book presents these unique mystical insights into the prayer lives of many saints taken from adrienne s direct visions of them in prayer among the long list of saints in this book are st john the apostle st augustine st francis st thomas aquinas st ignatius of loyola st teresa of avila st john of the cross st john bosco st bernadette st dominic st edith stein and many many more in this powerful spiritual work the reader is able to participate in the devotional and spiritual life of the church throughout the centuries by learning how numerous saints and devout people prayed thus reflecting on the timelessness and beauty of the prayer of the church

how to put ken wilber s integral theory which synthesizes the teachings of the world s great wisdom traditions into practice in all aspects of everyday life so you can reach your full human potential a masterpiece guide of grounded intelligent self transforming wisdom integrating the insights of all the great traditions of truth caroline myss author of anatomy of the spirit over the last thirty five years ken wilber has developed an integral theory of everything that makes sense of how all the world s knowledge systems east and west ancient modern and postmodern fit together and can elevate our awareness drawing on science psychology human development spirituality religion and dozens of other fields integral theory is a revolutionary framework for understanding ourselves and the world we live in now there is a way to not just think integrally

in most of his books dr morgan is a teacher and the reader a student in this book the scene and the relationship are different this is a fireside chat and the most informal of all his writings it is as though the reader were invited into the home of the renowned and beloved scholar to sit before the fire and just talk about the scriptures it is as intimate as that here is completely new and previously unpublished material and a new look at the warm and glowing personality of this master of the word originally he called it the harmony of the scriptures but we felt that such a title might indicate that it was another of those harmonies which run the gospels in parallel columns for the purposes of comparison this is not a comparison but a weaving together the bible is indeed a library of sixty six books each of which must be studied separately if we are to understand it but we must also understand that the books are chapters in a long connected story the story of a community and a record of divine government and that as dr morgan has it it is concerning christ and the history of that lord that the bible is one this is the divine interwoven tapestry of the word as god gave it warp and woof described by one who sees the golden thread of one increasing purpose and unfolding message running through it all it is g campbell morgan at his informal and inspiring best

to understand comedy is to understand humanity for the comic sense is central to what it means to be human nearly all the major issues with which human beings have exercised themselves are touched upon in some manner by the comic spirit yet education in the art of comedy and in comic appreciation is given little attention in most societies the spirituality of comedy explores the wisdom of comedy and the comic answer to tragedy in both popular and classical senses of the term tragedy is seen as a fundamental problem of human existence while comedy is its

counterweight and resolution conrad hyers has taken a fresh look at comedy from the standpoint of comparative mythology and religion and thus comedy s spiritual significance in his unique study of the comic tradition hyers explains the difficulty in pinning down themes structures plots or characters that are common to all comedy instead he argues that there is an essence of comedy in the area of pattern he draws upon the rich historical ensemble of types of comic figures the humorist comedian comic hero rogue trickster clown fool underdog and simpleton he shows how each type incarnates a comic heroism in its own unique manner offering a profound wisdom and philosophy of life the approach of this book is broadly interdisciplinary with materials and interpretations introduced from the various fields of the humanities social sciences and natural sciences as they illuminate both the tragic and comic sensibilities the methodological thread that draws this all together is an analysis of the major types of comic figures in terms of the myths and legends associated with them the rituals they produce and enact and the symbolism of the comic figures themselves written in a very readable literary style the spirituality of comedy will appeal to psychologists social scientists clergy philosophers and students of literature

this volume addresses the neglected aspect of spirituality in teacher education highlighting its importance in shaping diverse identities it offers ten chapters on theory research instruction and content providing valuable insights for both researchers and teachers

billed in early issues as a practical journal of industrial progress this monthly covers a broad range of topics in engineering manufacturing mechanics architecture building etc later issues say it is devoted to the advancement and diffusion of practical knowledge
